Dream paid

April 27, 2012 3:32 PM

Deej,
I processed the transfer for Dream for 10k. I am arranging provision payment and other stuff.

Go ahead and sent that Jeff Inshaw check when you get a chance. I know he lives month to month.

Text me or call when I can get back into the lower office. I'm going to miss the internet this weekend - crunch time for Grenadines.
Thx,

Woody
