If we can upload the photos to the ftp site and put them in a folder Oakland I will add them to the photo gallery and use my code to automatically draw images from there on the page.

Yes, I'll send Steve some shots I have from Texas. But need some pics from Oakland. Jim took quite a few, but most of them are blurry and unusable. Hopefully Bob or Jody took some? Anyone know?

Steve -

Yay! The logos look great!!! Thanks!

I think you could do the Past Events as a click-thru from text under the current events. A bold line that says "2012 South West International Boat Show" and "2012 Strictly Sail Oakland Boat Show"

Darren - Can you make sure that Steve has some kewl photos to post so that it isn't so obviously a promo for the sponsors? ;-)

Heidi,

Thanks for getting back to my email. I appreciate it. I've updated the logos and dates with the latest info. Go ahead and check that they are as you wish.

As for the Past Events area, where do you want it located? In the main drop-down? As a link on the events page? Let me know?
