Upcoming Event Suggestion

Hey Guys,

I was just thinking about an event that we are booked for (Eric Stone Band) - during the week of July 2nd, Superior Yacht Charters in Bayfield, WI booked us to play their race week. We did a Lats and Atts Party in Bayfield a few years ago. It was a successful event. Dave Dudgeon was the guy who represented us there. He planned the event and coordinated it all.

On the Bayfield website I dont see us listed as sponsoring or even attending the event. Is this something that you might be interested in? Maybe we could do a Lats and Atts Cruisers Party on the big night of the event. I bet that they would like that.

Maybe there would even be some other events we could do while we are up there in the Northern Michigan/Wisconsin/Chicago area. We will be driving up there, so once we drive we usually like to do other events up there.

Ideas?
